

## One-Day National Seminar

ON

### The National Education Policy 2020:

### Themes, Perspectives and Implementation at Education Institutions

16<sup>th</sup> March, 2024

Organised by

Internal Quality Assurance Cell

N.P. Arts and Commerce College, Keshod

Affiliated to Bhakta Kavi Narsinh Mehta University

#### About College:

It's commendable that the college was started by upstanding community members who recognised the importance of education and took action to provide it to others. The community-driven initiatives and support from the Nagar Panchayat were transferred to the Keshod Kelavani Mandal to address the specific needs and aspirations of the local population. The Keshod Kelavani Mandal likely plays a crucial role in managing and developing these educational initiatives to benefit the residents of Keshod and nearby villages. N.P. Arts and Commerce College Keshod was established in 1971 by Keshod Kelavani Mandal. As the oldest Grant-in-aid college in Keshod, located in Junagadh district, NPAC College likely has a rich history and tradition of serving its community by offering quality education. It's common for such institutions to have a strong focus on academic excellence, student development, and community engagement. The trust has always been at the forefront for the provision of value-based education to all students irrespective of caste, creed, religion, etc.

The college is affiliated to Bhakta Kavi Narsinh Mehta University and offers Bachelor's and Master's Degree Programmes (B.A., M.A., B.Com. & M.Com.) in the fields of Economics, Sanskrit, Gujarati, Accounting and Computer Science. NPAC College plays a crucial role in ensuring accessibility to education for a broader range of students by offering courses in both Gujarati and English mediums. Alongside education, the college fosters social values through various activities such as DELL, SCOPE, NCC (Army Wing & Naval Wing), NSS, UDISHA, Innovation Club, Saptadhara, Job Placement Cell, Finishing School Training Program, Azadi Ka Amrit Mahotsav, India's G20 Activities, Viksit Bharat@2047, Gujarat Gyan Guru Quiz (G3Q 2.0) and others. These initiatives serve economic purposes and aim to imbue social values.

Our college demonstrates its dedication to providing quality education that meets the needs of a diverse student population and prepares them for future academic and professional endeavours. Having experienced and knowledgeable faculty members and non-teaching staff who are equally committed to contributing to the brighter future of both students and the college is a significant asset for NPAC College. The fact that multiple generations of families have chosen NPAC College for higher education indicates a strong trust and reliance on the institution within the local community. This demonstrates the college's enduring reputation and positive impact over the years.

Keshod Kelavani Mandal

Patron

Prof. (Dr.) Arjunsinh Rana

Honourable Vice Chancellor

Swarnim Gujarat Sports University, Vadodara

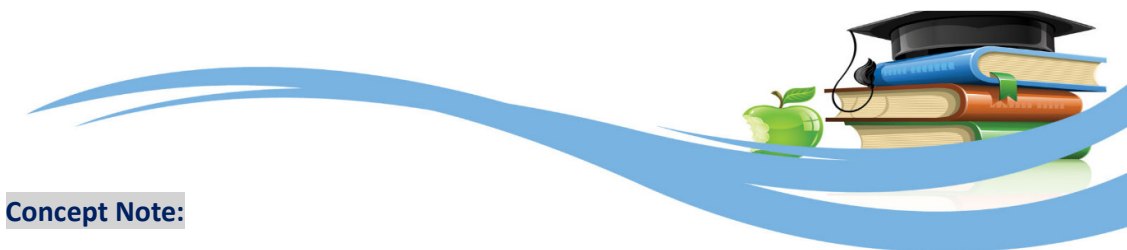

Co-Patron

Prof. (Dr.) K R Parmar

Principal

N.P. Arts and Commerce College Keshod

### Concept Note:

The National Education Policy (NEP) 2020 is the first education policy of the 21<sup>st</sup> century and replaces the 34-year-old National Policy on Education (NPE) 1986. NEP is a comprehensive framework aimed at transforming the education system in India. Its implementation requires synchronised and systematic efforts from multiple bodies. The policy provides different timelines, principles, and methodologies for its effective implementation. It requires careful planning, joint monitoring, and collaborative implementation by the Central and State governments for its full-fledged execution. NEP aims to foster quality, equity, and innovation in the education system, and its successful implementation requires determined efforts and sustained commitment from all stakeholders. It is a significant transformation of the country's education system, aligning it with global standards and addressing various challenges. Implementation of the NEP 2020 is crucial for a brighter future for the education system in India.

The National Seminar aims to provide a platform for participants to explore critical issues related to the implementation of the National Education Policy 2020. The seminar will focus on various challenges and future prospects of the education system in India. The participants can expect to research topics such as Learner-centric Education, Digital Learning, Industry-institute Collaboration, Academic Research, Internationalization, and Indian Knowledge Systems. Through these discussions, the seminar aims to foster a better understanding of the policy and its implementation, and to identify potential solutions for the challenges faced in the education sector.

### Objectives of Seminar:

- Enhance understanding among stakeholders about NEP 2020's key features, goals, and implications.
- Facilitate in-depth discussions and analyses on various aspects of NEP 2020, including strengths, weaknesses, opportunities, and threats.
- Explore effective strategies for implementing NEP 2020 at different levels of the education system, such as schools, colleges, universities, and vocational institutions.
- Promote research, innovation, and scholarship in education policy and practice to develop evidence-based strategies for maximizing the impact of NEP 2020.

### Sub Themes of Seminar:

- Improving the Quality of Educational Research for the Development of Teacher Education
- NEP 2020 and Viksit Bharat @2047: Voice of Youth
- Bringing Excellence through Innovative Practices in Pedagogical Process
- NEP 2020 and The Role of Indian Youth in Achieving the Vision of Dream India @2047
- Choice-based Credit System and the National Education Policy
