## **Syllabus Feedback Analysis Report (2023–2024)**

### **Introduction**

The institution obtains structured feedback on the syllabus and its implementation from key stakeholders – Students, Faculty, and Alumni – to ensure the curriculum remains relevant, effective, and aligned with academic as well as industry needs. For the academic year 2023–24, feedback was collected through Google Forms and other mechanisms. The responses were analyzed, and the findings provide important insights into syllabus coverage, adequacy, applicability, and scope for improvement. The consolidated analysis serves as an input for the Internal Quality Assurance Cell (IQAC) and contributes to the continuous enhancement of teaching and learning.

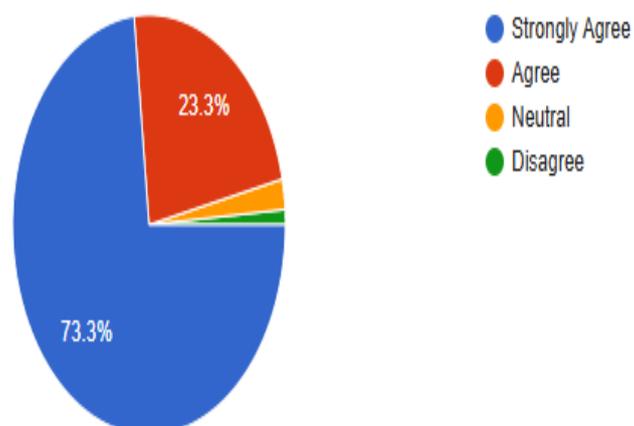

### **Students' Feedback on Syllabus**

Students expressed overall satisfaction with the syllabus design, its coverage, and the opportunities it provides for learning. They appreciated the relevance of the content to their academic growth and noted that the syllabus promotes critical thinking and subject knowledge. Some students suggested including more skill-based components and practical exposure to enhance career readiness.

1. The syllabus is relevant to the subject and meets the learning needs.

12 responses

9 The syllabus promotes interdisciplinary learning and flexibility.

12 responses

10 Overall, I am satisfied with the content and coverage of the syllabus.

12 responses

The consolidated analysis of feedback across stakeholders highlights several strengths of the syllabus. Students and alumni value its relevance, while faculty acknowledge its academic depth and applicability. Common suggestions include the need for greater industry interface, more skill-based modules, and enhanced practical exposure. Overall, stakeholders agree that the syllabus is well-structured but can benefit from continuous updating to match emerging trends and employability requirements.

### **Action Taken Report**

**Feedback Received:** Need for more ICT integration and modern teaching methods.  
**Action Taken:** Faculty members were trained in ICT tools, and blended learning with e-resources was incorporated into teaching.

### **Conclusion**

The Syllabus Feedback Report 2023–24 reflects the strong confidence of stakeholders in the curriculum of N. P. Arts & Commerce College, Keshod. The institution acknowledges the valuable inputs from students, alumni, and faculty, and assures continuous curriculum enrichment. Through structured feedback mechanisms and timely action, the college remains committed to aligning its syllabus with academic standards, industry needs, and holistic student development, in accordance with the quality benchmarks set by NAAC and the affiliating university.
