Date: 5th July 2025

To,
The Registrar / Principal
All State and Private Universities and Colleges
Gujarat

Subject: University and Institution-Level Initiatives to Commemorate the 5-Year Milestone of NEP-2020 – 29th July 2025

Dear Sir/Madam,

The National Education Policy (NEP) 2020, launched on 29th July 2020, has ushered in a transformative era in India's education system—emphasizing equity, innovation, flexibility, and holistic learning. As we approach the 5th anniversary of this landmark policy, the Education Department, Government of Gujarat calls upon all State and Private Universities, along with their affiliated Colleges, to actively commemorate this milestone.

To mark the occasion, you are requested to organize meaningful and impactful events between 29th July and 3rd August 2025 that reflect the progress, reforms, and transformative outcomes brought by NEP-2020—particularly for students and the broader academic community.

Suggested Themes & Formats (Indicative and Non-Exhaustive):

- Indian Knowledge Systems (IKS): Elocution Competition
- NEP Awareness: Expert Talks and Sensitization Sessions
- Understanding NEP Reforms: Quiz Competitions
- Research & Innovation: Presentation or Poster Competitions
- Language, Culture & Heritage: Essay Competitions
- Academic Bank of Credits (ABC): Interactive Student Sessions
- Digital Empowerment: Hackathon or App Development Challenge
- Skill Development & Employability: Workshops on Emerging Technologies

Note: The above are suggested formats. Universities and colleges are encouraged to design creative, localized, and student-centric programs that resonate with the spirit of NEP.

Department of English

NEP 2020: A Holistic and Multidisciplinary Approach to Education

To commemorate the 5-year milestone of the National Education Policy 2020, the Department of English at N. P. Arts & Commerce College, Keshod organized an expert talk on 1 August 2025 on the theme **"NEP 2020: A Holistic and Multidisciplinary Approach to Education."** Dr. A. L. Saraiya addressed the gathering and provided valuable insights into the key features and transformative aspects of NEP 2020, emphasizing the significance of holistic learning, interdisciplinary approaches, and the role of language and humanities in the new educational framework. The session was attended by faculty members and students, and it concluded with an interactive Q&A session. The event aimed to create awareness and promote understanding of NEP reforms among the academic community.
