### Mental Health Concerns of Students & Prevent Suicides Cell HIV/AIDS Awareness Shiksha

On 9 September 2025, N. P. Arts and Commerce College, Keshod, organized an *HIV/AIDS Jagruti Shiksha* program under the National Service Scheme (NSS). The event was coordinated by Dr. A. M. Chaudhari, with special guidance from Civil Hospital, Keshod. The session aimed to spread awareness among students about the causes, prevention, and social impact of HIV/AIDS. The program featured an expert talk by Ms. Jagruti Ben Shukla, a medical specialist from Civil Hospital, Keshod. She provided comprehensive information on the transmission of HIV, preventive measures, available treatments, and the importance of early diagnosis. She also addressed the misconceptions and stigma surrounding the disease, urging students to show empathy and support towards patients. Students actively engaged in the session by asking questions and clarifying their doubts, which made the program highly interactive. Informative pamphlets and posters were also distributed to reinforce the awareness campaign. The program successfully sensitized students to the health and social dimensions of HIV/AIDS. It concluded with a vote of thanks to Ms. Shukla for her valuable contribution and with a collective pledge by students to spread awareness in their community, reflecting the NSS spirit of service and responsibility.

At N P Arts & Commerce College, Keshod, an awareness programme was organized with support from the DTO office, health officials, THO staff, GSACS representatives, and ICTC counsellors. The programme aimed to spread awareness among students regarding various health issues and preventive measures.

Experts delivered sessions on the following topics:

1. HIV/AIDS
2. STI (Sexually Transmitted Infections)
3. TB (Tuberculosis)
4. Hepatitis
5. Blood Donation
6. Drug Abuse Prevention

Students were guided about symptoms, precautions, treatments, and the importance of early diagnosis. The programme helped students gain scientific knowledge and develop a responsible attitude towards health and community well-being.

### Mental Health Concerns of Students & Prevent Suicides Cell

#### World Suicide Prevention Day

#### Department of Psychology and English

The Department of Psychology and English held a meaningful Poster Making Competition on 10 September 2025 for World Suicide Prevention Day. Students from different departments took part with great enthusiasm. They made posters on themes like *"Life is beautiful,"* *"Light in the darkness,"* and *"You are not alone."* Their posters shared strong messages of hope, support, and positivity. The goal of the event was to create awareness about mental health and suicide prevention. The creative work of the students showed their care and concern for others. The best posters from each department were awarded, which helped build unity, understanding, and empathy among all students.
